Kumarakom Lake Resort

Perhaps
the only paradise
on earth...

Set by the famed backwaters of Kerala, Kumarakom Lake Resort is spread across 25 acres with 65 luxuriously ethnic rooms and heritage villas that resonate the magnificence of Kerala's traditional architecture. With a multi-cuisine restaurant housed in a heritage mansion, a specialty restaurant set by the lake and 6 traditionally styled luxury houseboats, the resort also offers Ayurveda as well as comprehensive business services with a well-facilitated Conference Hall.

Each villa at Kumarakom Lake Resort, built on the traditional lines of Kerala's ancient homesteads, is gracefully set by the Vembanad lake. With a wide array to choose from – the Luxury Pavilion Rooms wrapped in spacious elegance, the Heritage Villa with Private Pool

shaded by fronds of foliage; the Meandering Pool Villa with a pool winding past its door; the Heritage Lake View Villa with Private Pool with a glorious view of the lake; and the Presidential Suite, with its spacious elegant interiors and private infinity pool by the waterfront, each abode honours heritage yet ensures luxurious comforts within its cool confines.

The resort also owns a fleet of traditionally styled luxury houseboats that invite you to set sail on a voyage to a different era.

Ayurmana

Dedicated to Ayurvedic healing, every inch of Ayurmana is ingrained in the historic powers of the oldest of sciences. The 200-year-old Ayurmana had once been the home of the Chathamangalathu Mana, a family of renowned Ayurvedic practitioners. The rich

legacy is retained and lives on as the Ayurmana. The ethnic 'Nalukettu' or four-sided mansion had been transported in its entirety from its original location to Kumarakom Lake Resort and had been recreated with careful precision and expertise.

Houseboats

Embark on a journey in an exquisite houseboat and sail into a different epoch. Inspired by the norms of tradition, the houseboats are furnished with every possible modern luxury – outboard motor, solar powered energy, spacious and air-conditioned bedrooms and dining rooms, state-of-the art bathrooms, well stocked kitchen, a personal crew of assistants and your very own chef. Yield to captivating views as you cruise through an experience worth cherishing.

Our Conference Houseboat offers an elegant setting for business gatherings, seamlessly blending contemporary amenities with the tranquil beauty of the lake, creating an inspiring and warm atmosphere.

The main restaurant of Kumarakom Lake Resort, the Ettukettu, resides in heritage splendor and offers excellent repast with a taste of the past. A delicious tryst with destiny, the Ettukettu, was built under the commission of King Marthanda Varma for his martial arts maestro, Edamana Kellamthat Gurukkal. The impressive abode is a fine example of the palatial 8-sided Ettukettus unique to Kerala, and had been dismantled from its original location and reassembled in all its glory at the resort. Once dedicated to martial arts, today, under the aegis of a fine team of chefs, it serves delicious multi-cuisine fare.

Drink in the natural ambience at the Vembanad Seafood Restaurant and Bar with cocktails and seafood, garnished by the wonders of glorious sunsets, with gentle breezes as appetizers while the gourmet cuisine borders on traditional tastes.

Discover the simple pleasures of an authentic Kerala experience at Thattukada, the open-air teashop that serves

hot teas and local snacks with a glorious view of the serene lake.

There'll never be a dull moment here at Kumarakom Lake Resort. Exotic experiences on houseboats. Cultural thrills from morning village walks and visits to nearby popular and historic locations. Getting closer to nature at the famed Kumarakom Bird Sanctuary. Slow canal cruises presenting the local life on the canal banks. Thrilling adventures on speedboats or relaxing naps on hammocks rocked by cool breezes. Refreshing dips in the infinity pool. Discovery of hidden skills with impromptu pottery lessons. Sunset cruises that spell close, quiet encounters with nature. The culmination of the search of Kerala with souvenir shopping at the Curio Shop. Indoor games. Water sports, conference hall. Daily evening performances on Kathakali recitals, traditional musical evenings and cultural dance performances.

So much to do. Or the freedom to do nothing at all.
